## PLAYBOY'S Celebrating CENTERFOLDS

What's the fuss over birthdays? Everyone has one. It's our way of marking the passage of time, and like it or not they're an annual event. So why the big deal?

When you turn eight and all your friends help celebrate with presents, games, cake and ice cream, and you're convinced that the day is all yours, it makes sense to hoop and holler. But as the years fly by and the candles pile up we're confronted by the mathematical reality of having to share it with others. The uniqueness of our day is diminished. What was once a proprietary hold is replaced by a sense of connection to others who share that date. Some find a kinship, an almost cosmic relationship, with anyone who has the same birthday, and they look for similarities and common traits with historical figures, famous celebrities and athletes. We all know our astrological signs and many even know the defining characteristics that distinguish a Taurus from a Gemini. The pickup line of the Sixties "What's your sign?" (though dated, passé and so very unoriginal), is still heard and presumably still works. We check our daily horoscope for signs of impending romance or financial success, and for true believers the message on birthdays can forecast the highs and lows for the next 12 months. For this first issue of *Celebrating Centerfolds* we showcase the Playmates whose birthdays fall in the months of November and December, with coinciding astrological signs of Scorpio, Sagittarius and Capricorn. You can look to the calendar to see if you're lucky enough to share a date with a favorite Playmate. Even better, check to see if a girlfriend, spouse or significant other has a birthday in common with Centerfolds. Scorpio Brandi

Brandt (top left), Miss October '97, shares a very crowded November 2nd with Melissa Evridge (8/90), Helle Michaelson (8/88), Susie Scott (5/83) and Mardi Jacquet (10/80), along with Marie "Off with their heads" Antoinette and k.d. lang. January '96 Centerfold Victoria Fuller (middle left), a December 11th Sagittarian, appeared ten years after Laurie Carr (12/86) made that date Playmate special. Donna Mills, Teri Garr and Brenda Lee already gave it celebrity significance. Deanna Baker (5/72) shares December 29th birthday honors with both August '97 Playmate Kalin Olson (bottom left) and one of America's most popular Capricorns, Mary Tyler Moore. To all 92 November and December birthday Playmates we send our best wishes, and with the help of the Playboy Web site you can too. Check playboy.com for all the details. You're never too old to party, so pick a date and celebrate with your favorite Centerfold—cake and ice cream optional.

## LETTERS OF THE MONTH

I can't begin to thank you enough for choosing to include Ms. Jennifer Allan in *Natural Beauties*. In my humble opinion, she is a truly special and most extraordinary individual. Her unmatched physical beauty is perfectly complemented by her warm, friendly and special personality. Keep up the good work. ...M.M.

I'm a student at SDSU. The other night my friends and I were looking at *Natural Beauties* and were very impressed. Only two things have been overlooked as we see it: legs and tushies. So get to work and help us take our minds off of studying. ...J.J.G.

Wow, I loved the *Body Language* NSS. Great angles and atmosphere. Glad to see the derriere is getting its due from you guys, but the photo spread of Sophia Arden alone was worth the price of admission. ...D.B.

I realize how different individual perceptions of beauty and sensuality can be. I don't pretend to believe that my favorites are everyone else's. But the fastest growing portion of men's specialty magazines is publications devoted to leg and feet lovers, so each *Lingerie* issue should have at least a couple of photos of models wearing very sheer tan stockings. I'll always purchase BOL because Playboy continues to showcase the most beautiful women in the entire world, but if your issues routinely included tan hose pictures I wouldn't even bother with the others. ...J.B.

I'm one of the Costa Rican fans of BOL. For southern Europeans and Latin Americans the best magazines have *real* lingerie. White, black and beige are the best colors for women's underwear. Take that into consideration for your models. ...A.C.B.

The latest BOL is quite good overall, but unfortunately someone stuck a cigar in Kelly Monaco's mouth. It's always disappointing to discover that an otherwise attractive woman smokes. ...J.M.

## MODEL SEARCH

Playboy is always looking for new models. Three upcoming Newsstand Specials offer outstanding opportunities for women hoping to break into this exciting field:

**COLLEGE GIRLS** The qualifications are simple: you must be currently enrolled in college and at least 18 years of age.

**HARBODIES** We're looking for personal trainers, weight lifters, athletes, body-builders or any woman who displays hard-won physical perfection.

**NATURAL BEAUTIES** This issue is devoted to beautiful women in their original packaging. Only requirements: no enhancements, no alterations.

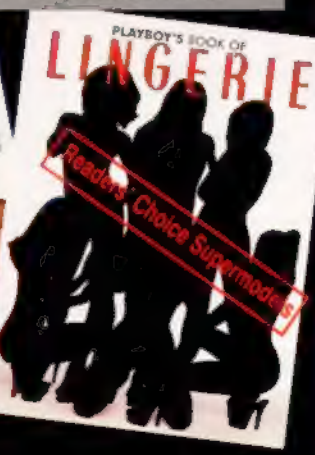

If you or someone you know would like to appear in one of these NSS, send recent color snapshots, Polaroids or slides that clearly show face and figure along with a complete list of personal data. If you are a college student, include school, year and major. Potential models must be 18 years of age or older and be able to prove it. Submissions returned only with self-addressed, stamped envelope. Contact us via mail, phone, fax or e-mail for complete rules and information.
